

Dear Colleagues,

C-MAC Days 2014 will be organized by the Institute of Physics, Zagreb, Croatia, during December 8 – 11, 2014. The meeting will be held at the Institute of Physics, Bijenička 46, HR-10 000 Zagreb. Participants will be accommodated at hotel Central (<http://www.hotel-central.hr/en/>), Branimirova 3, HR-10000 Zagreb. The main purpose of C-MAC Days is to provide comprehensive information on recent results achieved within the current year of the C-MAC action and to discuss directions for future research. Contributions will cover research topics related to complex metallic alloys and compounds ranging from basic to application oriented research:

- Development of new metallic alloys and compounds
- Structure determination, stability
- Physical, chemical and mechanical properties
- Surfaces of complex metallic alloys
- Materials for thermoelectricity and magneto-caloric application
- Materials for catalysis
- Coating technologies
- Complexity in periodic and aperiodic metallic alloys and compounds (theory and experiment)
- High-entropy alloys

Participants are welcome to present their research in the form of oral presentations (plenary, invited and regular lectures) or posters. An abstract should be prepared and submitted before November 3<sup>th</sup>. Authors will be notified on the type of their presentation by November 20<sup>th</sup>.

Organization of C-MAC Days 2014 will be performed via [cmac2014.eucmac.eu](http://cmac2014.eucmac.eu). Registration will be opened from September 1<sup>st</sup> to November 3<sup>th</sup>, whereas the deadline for Hotel booking is October 31<sup>th</sup>. Each C-MAC member Institution is entitled to send three delegates for whom accommodation will be covered by C-MAC Consortium for three nights, from 8<sup>th</sup> to 11<sup>th</sup> December 2014. Should any C-MAC Institution wish to send more than three delegates, then the supplementary delegates will need to book their own accommodation. Non-C-MAC members are welcome, but they need to book the accommodation by themselves (this can be done via the C-MAC web page).

Organizing Committee address:
